December 2012 Burglary of Motor Vehicle

On the afternoon of Monday, December 31st, the suspect pictured above committed a Burglary of a Motor Vehicle Offense in the 1400 block of Sens Road at the Valero convenience store.

Investigators advise that the crime involved a *pair* of unknown suspects following the victim from Sam's Club of Houston, with the apparent intent to steal the bulk of cigarettes he had purchased for later sales at the Valero store. Once the victim/storeowner entered the business, the two unidentified males exited the depicted vehicle, and shattered the victim's driver's side window in an attempt to activate the vehicle trunk release. However, after being unable to gain access into the victim's trunk the unknown suspects left the scene in an unknown direction.

The video surveillance images depict a maroon passenger car, possibly Mercury Grand Marquis, with the passenger side doors being silver/gray in color. The suspect depicted was wearing a black shirt and tan pants and the other suspect (not pictured) was wearing a gray hooded sweatshirt. Both suspects were of slim to medium build and were between 5'08" and 6'00".

If you recognize the suspect depicted, the vehicle, are aware of the second suspect's identity, or have any information concerning the crime, please contact La Porte Police Department's Criminal Investigation Division at 281-842-3173.
