La Porte police ask for public's help in hunt for auto thieves

By: Florian Martin

The La Porte Police Department is asking for the public's help in solving a pair of auto thefts that occurred last month.

The crimes, committed between the evening hours of Sept. 13 and the morning of Sept. 14, took place in the 3100 block of Lazy Pine Lane in La Porte's Shady River subdivision. While both vehicles have since been recovered at separate locations within the Baytown-Highlands area, the suspects continue to remain at large, according to LPPD.

The image of two of the three primary suspects, a white male and a white female, were captured on a Baytown convenience store's surveillance camera. Due to the image's good quality, investigators believe their identities will be quickly recognized by attentive members of the public, said La Porte police spokesman John Krueger.

Those who have any information on the auto theft crimes or recognize either of the two suspects depicted, are asked to contact the La Porte Police Department's Criminal Investigations Division at 281-842-3173.
